Weekly Newsletter 28th Sept 2018 (Value of the month: Respect)

Dear Parents / Carers,

Thank you to the parents who attended the Curriculum Presentation. We apologise for the short notice and we intend to hold another one on the **19th November at 2:30pm**.

This week we also sent out the maths newsletter. This year we are pushing learning in Maths so that our standards in maths are just as high as in English. For this to happen, we need support from all our parents so that children practise their arithmetic skills at home. The more confident children are with times tables, the better they will handle problem-solving and calculation questions in school. Please can you support your child with making sure that they have time to practise their times tables.

Preparing for the Year 4 times table check.

From June 2020, all pupils at the end of Year 4 will take an online multiplication check. The first year group to take part in this multiplication check will be the children in the **current Year 3** cohort. Please note that children who are currently in Reception, Year 1 and Year 2 will sit this check once they get to Year 4.

As per the National Curriculum, by the end of Year 4 children should be able to recall multiplication facts up to and including 12 x 12. The check, which will be a short online assessment, aims to identify pupils who have not yet mastered these skills and therefore allow for further support to be put in place.

As always, at Featherstone we strive to support every child in reaching their potential. Learning multiplication facts is already an important part of the school's curriculum and will continue to be so.

Mythical Maths and Fantastic Facts

This year we have a new and exciting scheme to support children in Year 2 (from the Spring term) to Year 6 learning their multiplication and division facts. Every week, children will have a limited amount of time to answer multiplication and division questions. In order to pass each stage, children must answer all the questions correctly in the time that they have been given.

We Love School!

It's great to see our children's learning being shaped at home through the topic work that is being sent back. Well done parents!

We appreciate the difficulty that parents have experienced with regards to buying school uniform over the past few weeks.

As a result, I have sourced a number of outlets which will give you more options. You can now purchase school uniform from the following:

- Trutex School Wear (new outlet) Erdington High Street from the 1st Oct 2018
- Tesco online: <https://www.tesco.com/direct/featherstone-primary-school/15334.school?t=153657590498>
- Clive Mark (Boldmere)

Staffing:

- Congratulation to Miss Hughes—who gave birth to a baby girl. Both are well and the little one has even popped in to school.
