Aspire, Believe, Succeed

National Outstanding Award 2014

World Book Day: Thank you to Miss Lacey who organised a fun packed school book week. We had a run of events which included a book quiz, book fair and also a visit from the Author Dan Smith. A great deal of work went into this and our thanks to all of the staff for their involvement. Parents, the children looked great and considering the weather had changed on Thursday, thank you for making this an enjoyable day for everyone. Your support is much appreciated.

Equality Questionnaire: I hope parents enjoyed the competition to help raise the response numbers. In total we have had 126 responses which is great. The questionnaires are a real help with the decisions we make and also this gives you the opportunity to have a say.

School closure: As a result of the weather conditions I hope that parents found the early communication useful in order to make appropriate arrangements. It's always difficult making such an early call but thankfully it was the right one.

General Data Protection Regulation: Over the next week parents will be sent two consent forms which need to be signed and returned to school. Please kindly read through the information with the forms. If you are unsure and need further information, the office staff are here to help you, so please do not hesitate to ask. Every child's form will have to be returned back to school by **16th March**.

Secondary School offers: Parents of Year 6 children should have been informed of the allocated place for your child. Please do let us know if you have not had this information.

Early school closure (Friday afternoon): This week Governors are to meet to discuss the early closure. Once the decision has been made, parents will be notified by the Chair of the Governing Board.
