# Weekly Newsletter 4th July 2019

This week all the children received their end of year report. The format that we have used is more personal and we hope that you prefer this. We welcome any feedback you may wish to give. On Tuesday, it will be Parents Evening and we look forward to seeing you; you don't need an appointment, just pop in if you wish to discuss something with your child's teacher. Birmingham City Council will also be available during this time to give further information on the 'Free School Streets' to start in September 2019.

This week was our 'Sports Week'. Each class competed in two events. We had the Year 3 & 4 dodgeball tournament, as well as the Year 5 & 6 dodgeball tournament and KS1 took part in a sports carousel, completing lots of different sporting activities. As the finale the children all came together on Thursday morning for the track events and each child had the opportunity to compete in at least one race. It was fantastic to see great leadership, teamwork, encouragement throughout the week and this also allowed children to mix with other year groups and celebrate together, which was nice!

This week Year Three visited the Alexander Theatre to watch Horrible Histories. Horrible Histories is a British sketch comedy and musical television series. The children went with excitement knowing how much fun it is going to be.

Reception children enjoyed their Teddy Bear's picnic—thank you staff and parents for organising the teddy bears and food.

Well done to the Eco Team who presented information at last weeks assemblies. Their presentation was about Carbon Monoxide and how they are working towards helping to raise pupils awareness on climate change. Great confidence, knowledge and leadership was demonstrated by all.

We now come to the last two weeks of the year and there are a range of events planned which include the EYFS graduation, Year 6 performance, Attendance Awards, Enrichment Awards and finally the winning School House prize. The winning House treat this year is a range of inflatables which has been planned by Miss Beach for this coming Thursday.

Best wishes  
Mr E Gaibee (Headteacher)

### Attendance

We are approaching the end of another academic year at Featherstone Primary School. The attendance shop has proved a real motivator for the children. Please continue to bring your children to school and promote excellent attendance. Remember that we do follow both the Fast Track and Leave in Term Time penalty notice procedures. All penalty notices are issued by the council after attempts have been made to improve your child's attendance through a working partnership between you and school. Penalty notices are issued per parent per child, therefore each adult will receive a separate letter regarding any action. We will continue to monitor attendance closely next year.

## A Marathon Hike

On Saturday 27th July I will be taking part in the Macmillan Peak District Mighty Hike in aid of Macmillan Cancer support. I will be walking just over 26 miles in one day from South of Ashbourne to Bakewell Showground. If you would like to make a donation you can do so either in person at school or by clicking the link below. Every penny raised will go to Macmillan to provide vital support to those fighting cancer.
