

Aspire, Believe, Succeed

Weekly Newsletter – 18th Jan 2018 - Value of the month: Self-Discipline

National Outstanding Award 2014

Dear Parents / Carers.

Reading Questionnaire

This week Miss Lacey sent out a questionnaire on reading, please do take the opportunity to give your views. It is important we get to hear your views on reading at home and also on the Bug Club online reading material. This questionnaire is also an opportunity for you to give your comments. <https://www.surveymonkey.co.uk/r/R2FMF3R>

Pupil views on school

Hearing what the children have to say about school is what we are here for but at the same time the work that we do also relies on the support that you offer at home to underpin the schools values. Please do have a look at the data below. Our children's responses are fantastic and this is down to the support that we get from you.

Early Closure Consultation: Parents/Carers who have not yet had the opportunity to respond please give your views so that the Governing Board can take these into account as part of the final decision making.

Cycling Skills: Some time ago I managed to source some funding to purchase some high quality bicycles and equipment. We now have Birmingham Bike Ability who come in regularly to work with groups of children teaching them cycle skills. This is all part of the enriched programme that offer to our children to prepare them as they grow.

Finally we say a farewell to Miss Cole (Teaching Assistant) who will be leaving us today. Thank you for your time with us.
