National Outstanding Award 2014

# Weekly Newsletter - 17th May 2019

This Month's value is 'Self-belief'

## MEDICINES:

Please ensure that all medicines at home are stored out of your child's reach. If you child should require medicine to be brought into school to be administered or if your child is being collected by another adult, please ensure that any medicine is handed to an adult at the school office. Medicine should never be brought into school in a child's bag or via the child themselves.

## Morning Trial

To help reduce the congestion in the mornings at the front of the school from **3rd June 2019**, we would like to trial using the side gates to the rear of the school where parents and children can wait on the school playground. Staff will be present at the front of school to direct parents and children to the playground.

At the rear of the school parents are requested to supervise their own children and not make use of the climbing frames or field areas. At 8.45 the door will be open to allow the children go straight into school and to their classrooms.

The front of the school will operate as normal with EYFS opening at 8.40 am and the other two doors opening at 8.45am. Parents who have children in EYFS and siblings in other years can, if they wish, use the playground whilst waiting for their child to go into school and allow their EYFS child to enter through the rear of the school.

We shall review this at the end of the week to see if this is working and helping with the overcrowding.

## YEAR 6 SATs.

This week Year 6 children took their Statutory Tests (SATs). The Years 6 children are a real credit to the school and each test day they came in determined to give their 100% best effort. Thank you to all the families for making arrangements for the children to be in school early and for some children also sacrificing the first few days of Ramadan. All Year 6 children will now work towards making sure their writing is as good as it can be for their Writing Assessment.

## YEAR 2 SATs.

Next week (20th May) the Year 2 children will continue to sit their Statutory Tests (SATs) - for these 6 and 7 year olds its an important time so that their teachers can use the assessment towards making an end of year teacher assessment. Please ensure that your child is in school each day.

## Year 1 Phonics Screening Test

The Department for Education instructs all schools to carry out phonics screening test for children in Year 1. The tests will take place during week commencing **10th June 2019**. Please be reassured that the assessment activities will be done by the Class Teachers on a one-to-one basis with each child, lasting 5 - 10 minutes, in a low-key and fun manner to enable the children to do their best. Please ensure that your child is in school during this week.

Best wishes

Mr E Gaibee (Headteacher)

## Summer Term Diary
