Yet another busy week in the life of the children at Featherstone. In the last week we have had teachers visit us from Erdington Hall Primary, the Headteacher from Stockland Green Secondary School and also our teachers had the opportunity to do a book scrutiny and discuss what progress looks like with the Stockland Green Secondary School teachers.

World Book day is Thursday 3rd March. Children to come to school as book characters. Prizes for best outfits!

It not the last but we've seen our first coming of ice, sleet and snow! Two year ago we had heavy snow in late Feb and even as late as March. This is a good time to remind parents of our arrangements if we get severe weather. We will always endeavour to keep the school open. However, if the weather is particularly severe we may make one of the following decisions:
Staggered times. Depending on the circumstances (staffing levels, making the site safe to pupils/staff) the school may operate a rolling start and finish (open between 9 - to 10 am and close between 2.30 t 3.15pm).
To close the school. This decision would not be taken lightly and would be communicated via: our website, text, local radio. All decisions would be made by no later than 7.30am. During this cold spell, please make sure that children come in warm coats and all accessories (hats, gloves & scarves) and all NAMED.
A BIG thank you to Mr Lamb, our site manager, who has been working hard to grit our paths around school.

Have a good weekend from Mr Gaibee
