Weekly Newsletter – 18th March 2016

As we move closer to the Easter break, everyone is working hard. Across school and in all subjects, the children continue to make excellent progress. Our sport teams continue to thrive, competing at the recent Level 3 games and other competitions. We have recently introduced Sound Training to children in Year 4-6, to help with reading fluency (more details will be sent out). Continuing throughout this academic year, is the additional teaching we receive from Mr Moore (visual Maths), working mainly with Year 2 children to boost their maths.
