GLOBAL WEEK

This week the children have been involved in some creative work as part of our Global Week. The quality of their work is outstanding and the displays celebrate the different nationalities represented within our community at Featherstone. The children have researched countries and learnt about the contribution their country has made to Modern Britain. The displays will be on show at Parents Evening, so please take time to have a look!

The incredible displays created by our Year 2, 3 and 4 children based around India, Pakistan and Morocco. Well done and thank you to all of the staff and children for their energy and efforts during Global Week.
