## Enhanced Learning Provision 'The Hub' Weekly Newsletter – 27<sup>th</sup> February 2026

What have The Hub children been up to this week?

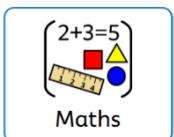

English

In English this week, we have been focusing on our key text, 'That's Not My Car'. We have really enjoyed listening to and exploring the story together. The children have been practising matching objects to pictures, as well as matching pictures to pictures. We also had lots of fun making marks on images of cars and mark making with cars.

Communication

In our communication lessons this week, we have been learning all about the core word 'put'. We have practised recognising the Widget symbol and Makaton sign for 'put' whilst decorating cakes, having to 'put' on icing and decorations.

Maths

In Maths this week, we have been making patterns using toy cars. We started by recognising coloured cars and sorting them before moving onto making repeated patterns.

Topic

In topic this week, our focus has been History. We have been sorting cars into old and new.

We have made a start to our new 'Working Wall', to display our current learning around our new Transport Topic.

### Star of the week!

Well done to Nnamdi! You have had lots of fun engaging in all the activities this week. We are very proud of you. You have also been a fabulous friend by helping others in their play too.

### Reminders for this half term...

Our PE lessons are on Wednesdays. Please make sure PE kits are in school.

Have a lovely weekend.

From Miss Beach, Mrs Blair, Mrs Prentice and Mrs Osei.
