## Year 1 Weekly Newsletter – 7<sup>th</sup> November 2025

What have Year 1 been up to this week?

This week in English, we have started a new text for our topic called The Nutcracker. We began to make predictions based on what we have read so far. We then explored what nouns are and identified nouns in the pictures from the book. We then used these to write up our own descriptive sentences using adjectives to describe the nouns that we found.

This week in our Maths we have been developing our addition and subtraction skills using part whole models. We then looked at subtraction and addition related facts.

In topic we had our first Geography lesson where we looked at different prepositional language. This was done by writing instructions on moving a counter to get from one place to another on a map, using key words such as up, down, left and right. We also started computing where we looked at online safety by exploring 'Goldilocks a hashtag cautionary tale'. Then using our direction knowledge from Geography we used these to direct beebots by giving instructions on how to move.

This week in PHSE we started our new puzzle 'celebrating difference' and we learned about how we are similar to each other.

### 1A's Star of the Week

Zahra has made such good choices this week. I have been super impressed with her phonics. She has taken control of her learning by joining in her lessons. Well done!

### 1B's Star of the Week

Mason has had an incredible week. He consistently demonstrates excellent behaviour inside and outside the classroom, he is helpful and kind to others. He has also worked very hard in all his lessons. Well done!

1A's coin total – 81  
1B's coin total – 96

Reminders for next week...PE days – Wednesday (please remember to bring in PE kits)

- Spelling test – Thursday
- Reading book swap/ new spellings – Thursday

Best wishes and have a lovely weekend.
