

# Featherstone Primary School

## Year 1 Weekly Newsletter – 6<sup>th</sup> October 2025

What have Year 1 been up to this week?

This week in English, we have started learning about instructions and what they are. We began by, following instructions on how to make a superhero stick puppet. We then ordered instructions on how we made our smoothies for Lola in our DT lesson.

This week in our Maths lessons we have been continuing our work on number bonds to 10 and expanding our knowledge of addition. We have looked at the symbols used to write addition number sentences. This has also been done by using the part whole model to help us.

We have continued our science lessons. We started off with learning about senses. We went on a sensory walk around the school using our senses to explore what we can see and hear. We later explored healthy choices by sorting food into healthy and unhealthy plates. We began our history topic, where we explored our timelines and what happened before we were in Year 1 and what will happen after Year 1.

The children also enjoyed mental health day and took part in some lovely mindfulness activities. They looked lovely in their bright colours!

### 1A's Star of the Week

Autumn is always shows our Featherstone values and has had a super week! She has lovely manners and is always polite. Well done!

### 1B's Star of the Week

Ayman has had a super week! He has tried his hardest in all his work and has consistently shown good manners and outstanding behaviour. Well done!

1A's coin total – 81

1B's coin total – 72

Reminders for next week...

- PE days – Wednesday (please remember to bring in PE kits)
- Spelling test – Thursday
- Reading book swap – Thursday

Best wishes and have a lovely weekend.  
From Miss Burns and Miss Waheed
