

What have Year 3 been up to this week?

In English this week, we have been learning about informal letters. We identified the features of informal letter writing and practiced writing in an informal way using informal/chatty language, past tense verbs and emotive language! We also hot seated Barney, our main character from our story 'Stig of the dump' to gain a deeper understanding ready to write our informal letter next week!

In maths this week, we have continued to look at fractions, further exploring and deepening our understanding of equivalent fractions. We then started to compare and sequence fractions, using the symbols $>$, $<$ and $=$, as well as using the vocabulary more than, less than and equal to. We ended the week looking at how to add two fractions together!

In Art this week, we have been looking at the artist Vincent van Gogh and his post- impressionism style. We experimented with colour mixing and brush strokes and then painted our very own Stone age painting! We really enjoyed this!

In PSHE, we have continued to think about our dreams and goals including short term goals such as eating healthily and doing exercise.

3A's Star of the Week

This week's star of the week is Sabali! Sabali has enthusiastically participated in discussions this week and answered lots of questions in Art, music and even in our values assembly! She has had a positive attitude and has also tried incredibly hard in all her work! I am very proud Sabali! Excellent!

3B's Star of the Week

This week's star of the week is Haris! Haris did a spectacular job during his PE lessons. He showed great understanding of gymnastic, showing his ideas to the whole class! This week Haris has also worked incredibly hard within his English and maths lessons! Brilliant job Haris, keep up the good work!
