

What have Year 3 been up to this week?

In English this week, we have been continuing to read the story “The Egyptian Cinderella”. We have retold the story verbally as well as retelling the story using a story map. We added pictures and words to our story map so that we can reflect on it as we are writing up our story. We selected two things to change and decided on changing the item and our main character! This then allowed us to begin to write the first section of our very own Cinderella story!

This week in Maths lessons, we have been understanding number lines to 1000. We plotted numbers accurately on a number line and we also estimated numbers on a number line. In addition to this we found 10/100 more and less than a number to 1000.

This week in our arithmetic sessions, we have been practising our multiplication and division facts for the 3 times tables.

**In Topic** this week, we have been logging onto the chrome book and familiarising ourselves with Google classrooms! We created a new document, practiced changing the font, size and inserting a picture! We also used search engines to research about ancient Egyptians. We really enjoyed using the chrome books.

### 3A's Star of the Week

I am so proud of Ruby, she always listens attentively in all subjects, puts her hand up to answer questions and her presentation in her work this week has been so neat and amazing! Not to mention, she is our thumbs up winner! Excellent Ruby!

### 3B's Star of the Week

Isaac has won our Star of the week as he has earned so many thumbs up and points for his table! He has raised his hand, joined in consistently and worked incredibly hard within his book work! Well done Isaac!
