

Year 4 Weekly Newsletter – 12th September 2025

What have Year 4 been up to this week?

This week in English, we have been analyzing biographies and we are building up to writing our own biography based on the life and work of Greta Thunberg.

We have spent 2 days researching Greta and we have found lots of brilliant facts, ready to put them into our writing next week.

This week in Maths lessons, we have been exploring place value of 4-digit numbers. We have looked at the value of each digit, based on its column, before ordering and comparing 4-digit numbers in our book work.

Other exciting things that happened this week...

In other news, we have been working hard to settle into Year 4, thinking about our school rules and how we can implement them within class and around school.

In Topic, we have begun exploring plastic pollution and discussed the importance of protecting our world from plastic waste. We discovered that it can take hundreds of years for plastic products to break down in our oceans, and this made us shocked!

We have started our new PSHE scheme, called Jigsaw. The children are really looking forward to getting more involved with this scheme as we go through the year.

4A's Star of the Week

Eesa has been a superstar this week! He has been a model student and shown everyone else how to follow our school rules. Well done, Eesa.

4B's Star of the Week

Aaliyah has settled into Year 4 really well. She is a model pupil who always follows our school rules. I can always count on her to contribute to lessons and I know that she is a good friend to all.
