

What have Year 4 been up to this week?

This week in English, we have been publishing our persuasive letters into our best handwriting for our Personal Progression Profiles, and then we have been going through some of our Year 4 SPaG rules in preparation for our next few genres of writing, as we know that the expectations are going to start getting higher.

We also started our new text 'Greta's Story' by Valentina Camerini. The children are enjoying this so far, and we have looked at the skill of inference within our books.

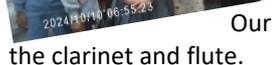

This week in Maths lessons, we have been looking at addition and subtraction. We have demonstrated our knowledge of column addition with regrouping through pictorial and abstract representation, before moving onto subtraction without exchanging. We did this by drawing out numbers and crossing out those that we are taking away.

Other exciting things that happened this week...

In other news, our Computing lessons saw us recapping online safety and how we can make sure that we are keeping ourselves and others safe when using the internet. We talked about what to do if we feel uncomfortable with a situation online, and how to deal with cyberbullying.

In Spanish this week, we continued our hobbies topic by looking at how to form sentences based on our opinions. The children did really well with this, in preparation for next week when we will be writing in our books.

Our Music lessons with Miss Hopper are getting really well, and the children are getting to grips with the clarinet and flute.

Mental Health Day was a huge success again this year, and the children loved coming to school in their brightest clothes!

<p> <u>4A's Star of the Week</u></p> <p>This week Umaimah is our star of the week. She has shown extraordinary effort in her work and has followed our school rules and values brilliantly. Well done, Umaimah!</p>	<p> <u>4B's Star of the Week</u></p> <p>Alden is a role model within our classroom. He is always ready for lessons and puts a maximum amount of effort into all of his work. Keep up the great work!</p>

4A's coin total – 85 coins
4B's coin total – 93 coins

Key Dates and Reminders...

Doodle Learning homework will be set every Thursday, and it is due by the following Wednesday. Please encourage your children to complete their homework **every week**, and check with their class teacher as to which homework has been set.

Please make sure P.E kits are correct and in school for the duration of the half term. We will be checking these each week.

P.E Day: **Thursday**

Reading books – **Thursday** / Spelling test – **Friday** / Homework - **Wednesday**

Best wishes and have a lovely weekend.

From Miss Lord and Mrs Ward
