

### What have Year 4 been up to this week?

This week in reading, year 4 have been finishing *The Boy at the Back of the Class*. During writing, we have been designing a new toy to sell for 2026 and practising their powers of persuasion to write advertisements for them! They were able to consolidate their learning from this term into a fun and creative piece of writing to end 2025. They then also used their skills to help proof-read and edit their work with each other. What fantastic team work to end the term!

In maths, the children have been continuing their fractions unit. This week, they have been working on equivalent fractions and counting in fractions.

### Other exciting things that happened this week...

In other news, thank you to all of the parents and carers who came to watch the Nativity production this week. The children were absolutely fantastic, and we are so proud of all of the hard work and dedication they have put into the creating such a magical performance.

#### 4A's Star of the Week

4A's star of the week is Ismael. He has worked really hard this week and has been a kind and caring classmate for all. Well done, Ismael.

#### 4B's Star of the Week

My star of the week this week is Artur. He has worked really hard all week on his confidence and ability when answering questions. He has also been really helpful with others.

4A's coin total – 103 coins  
4B's coin total - 120 coins

### Key Dates and Reminders...

Doodle Learning homework will be set every Thursday, and it is due by the following Wednesday. Please encourage your children to complete their homework **every week** and check with their class teacher as to which homework has been set. Please ensure P.E kits are correct and in school for the duration of the half term with their names clearly labelled. We will be checking these each week.

P.E Day: **Thursday**

Reading books – **Thursday** / Spelling test – **Friday** / Homework - **Wednesday**

Best wishes and have a lovely holiday break!

From Miss Lord and Mrs Ward
