

What have Year 5 been up to this week?

This week in English we have explored the structural and language features of a comedy narrative. We also wrote our own comedy narrative opening and thought carefully about how we could include description and humorous examples. Towards the end of the week, we explored speech and dialogue in greater detail, focusing on how to develop the character and advance the story.

This week in maths, we have continued to investigate units of measurement. We have learnt to convert between grams and kilograms and millimeters and liters. We have applied this in comparison, ordering and problem solving questions.

This week in Science, we have been continuing to investigate space. We have explored the structure of our solar system and the terms heliocentric and geocentric. Year 5 have learnt to label a model of the solar system and have worked together to research one of the planets.

In PSHE, we have explored different age limits and how to stay safe within online communities.

### 5A Star of the week

Shreejay is 5A's star of the week this week. Shreejay is always ready to learn, has excellent concentration, consistently tries his best and shows maturity and care in all he does.

### 5B Star of the week

My star of the week this week is Callum. He has been working super hard and made some great progress this week. He also wrote some great inference answers that clearly answered the question. Well done Callum- keep it up!

5A's coin total –  
5B's coin total – 83

### Reminders...

- Reading books are updated and changed every Wednesday.
- This half term PE is on Thursday. Please ensure your child has their full and labelled swimming kit in school. Children also need to have their normal PE kit in school.
- 'My SAT's Companion' homework is set on a Thursday, and it must be completed by the following Wednesday.
- Spellings are given to the children on a Friday, and they are tested on them the following Friday.

Best wishes and have a lovely weekend.

From Mrs Leonard and Miss Williams  
Year 5 Teachers
