

What have Year 5 been up to this week:

This week in English, we published our newspaper reports, ready for our showcase. In Reading, we looked at inference.

This week in Maths, the children consolidated their learning from the term through a series of problem-solving activities and reasoning challenges. They applied the key mathematical skills they have developed over the half term, including division, fractions, and data handling to a range of contexts, demonstrating increased confidence, perseverance, and accuracy in their calculations.

In Topic, the children enjoyed a creative and engaging final week of the term. During Computing, they wrote their own code to bring the micro: bits to life! At the end of the week, the children held a showcase on what they have learnt about WW1 in history, held a wonderful drumming performance and a fundraiser for 'Help for Heroes', thank you for all your donations!

What a fantastic term it has been! The children have worked incredibly hard and shown great enthusiasm across all subjects. We are so proud of their dedication, creativity, and teamwork throughout the Autumn term. We would like to thank all parents and carers for their continued support and

wish everyone a very Merry Christmas and a happy New Year. We look forward to welcoming the children back in January for another exciting term of learning!

### Star of the week:

All of Year 5 for a fantastic showcase and fundraiser!

5A's coin total – 100 coins  
5B's coin total – 91 coins

### Reminders...

- Reading books are updated and changed every Wednesday.
- This half term PE is on Thursdays. Please ensure your child has their full and labelled PE kit in school.
- 'My SAT's Companion' homework is set on a Thursday, and it must be completed by the following Wednesday.
- Spellings are given to the children on a Friday, and they are tested on them the following Friday.

Best wishes and have a lovely weekend.  
From Mrs Deen and Miss Williams  
Year 5 Teachers
