

EYFS- sharing quantities (lesson 4)

This week, the children will be sharing quantities equally.

Activity: Sharing equally:

1) **PRACTICAL:** Can you share 15 biscuits between 5 of your toys? How many biscuits did each toy get?

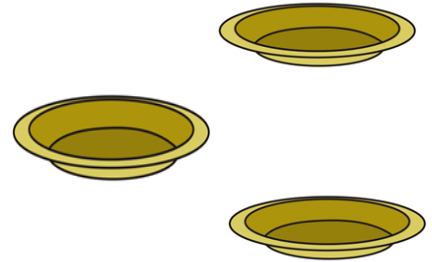

Draw 5 plates and share out 10 cakes to check.

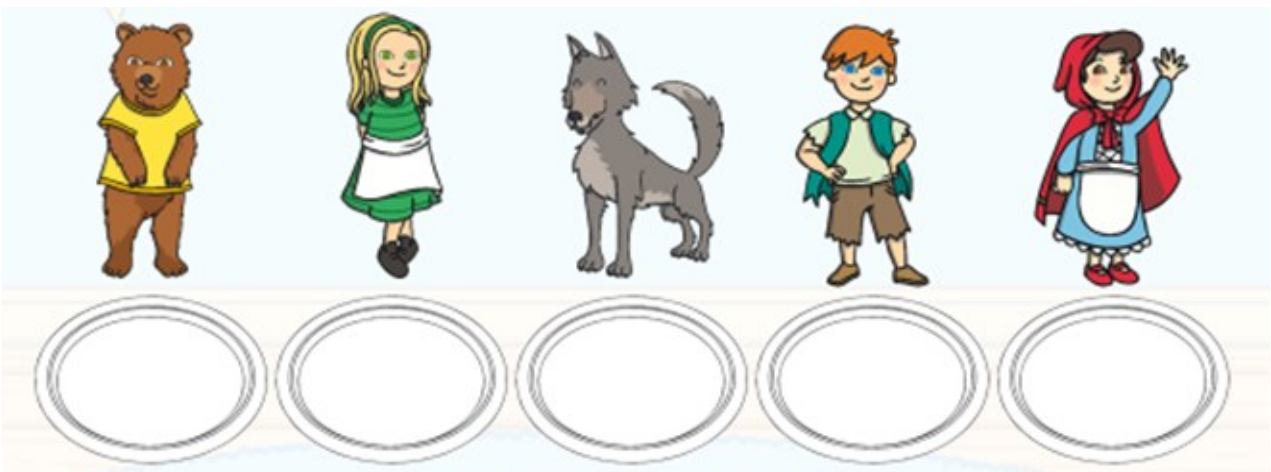

2) **PRACTICAL:** Can you share 10 objects between 3 bowls?
Circle your answer below:

Are the groups the same?

Yes or No

3) Can you share the cakes equally at the fairy tale tea party? At the party there was 10 cakes to share between 5 guests.

Each character got cakes.
