

EYFS- Halving (Lesson 3)

This week, the children will learn about what halving means. They will also learn to recognise halving numbers between 1-10.

Activity: Find the half

Cover one side of the ladybird. How many spots can you see?

Circle your answer.

1 3 2

2 6 3

2 8 12

4 5 6

10 7 6
