

Structures

Specific focus is Pyramids

W/C: 1st June 2020

This week your non-core learning focus is pyramids. We will be looking at making our own pyramids, researching lots of facts and also locating Egypt on the map!

Subject: Art

Activity Outcome: Design your own pyramid

Explain: You are going to build your own pyramid but first you need to design it by sketching a picture of your pyramid. There is a video link below to help you that will take you through it step by step.

Subject: DT

Activity Outcome: Build your own pyramid

Explain: You are now going to make your own pyramid. There are two links posted below for you to use. One is made from cardboard and the other is made from paper; you can choose which one you make.

<https://www.youtube.com/watch?v=R5J37ufZ3jA>

Subject: History

Activity Outcome: Research and present facts on pyramids

Explain: Using the websites below, research facts on pyramids and create a fact file. **A fact file includes lots of information and pictures on a given subject.** Once you have completed it, why not present it to your family?

You might want to include the following:

- How were the pyramids built?
- Why were pyramids built?
- Who built the pyramids?
- Who were THE PHARAOHS?

Subject: Geography

Activity Outcome: Locate country, river and capital cities on a UK map.

Explain: On the map provided, can you locate the following:

- Egypt—write the name and colour this in red
- The River Nile—write the name and colour this in blue
- The capital of Egypt—write the name
- The Mediterranean Sea—write the name and colour this in blue
- The Red Sea—write the name and colour this in blue

Here are some websites to help you:
