

## Answer – Week 2

### Wednesday – RIC lesson

- 1) Who wears red and what items are that colour in the clip?

Juliet wears red. She has a red hat and a red skirt.

- 2) What is Juliet's character like how do you know?

Juliet is: romantic and in love – She speaks about being blue as she cannot be with Gnomeo.

Funny – she makes jokes and pulls funny faces.

- 3) Why do you think the director chose Stealth as Gnomeo's middle name?

He chose this as his middle name because it is funny. If you are stealthy you are able to do things in secret and sneak around. In the clip Gnomeo accidentally steps on a buzzer that makes all the lights flash. This is not stealthy.
