

## Adding Fractions 2

1

Finish the number sentence:

$\frac{5}{7} + \text{---} = \text{---}$	$\frac{10}{15} + \frac{\text{---}}{15} = \frac{15}{\text{---}}$
$\text{---} + \text{---} = \frac{\text{---}}{12}$	$\text{---} = \frac{12}{21} + \text{---}$

2

Look at the picture and write a fraction for each colour.

Red	
Blue	
Yellow	
Green	
White	
Orange
