

Year 5

Week 9

Lesson 2 – covering to mixed and improper fractions

Challenge 1

Write the following fractions as mixed numbers:

1. $17/5$
2. $11/2$
3. $16/3$
4. $13/4$
5. $7/6$
6. $20/7$

Challenge 2

Write the following mixed numbers as fractions

1. 4 and $3/5$
2. 3 and a half
3. 2 and $2/3$
4. 5 and $1/4$
5. 2 and $1/6$
6. 3 and $2/7$

Challenge 3

Bart is TRYING to do maths again and has converted five improper fractions, one underneath the other, in these columns. Put a tick if he is correct and a cross if he is wrong.

$9/5$	$7/3$	$13/2$	$19/6$	$26/8$
1 and $4/5$	2 and $1/3$	6 and $1/2$	3 and $3/6$	4 and $6/8$
