

Year 5 – Revision #2 Number and Place Value

Compare and order

Insert the correct symbol ( $<$   $>$ ) between each pair of numbers.

586 325 \_\_\_\_\_ 587 632

765 486 \_\_\_\_\_ 752 632

607 548 \_\_\_\_\_ 75 486

254 368 \_\_\_\_\_ 217 879

Place each set of numbers in the correct order.

1. Starting with the smallest

586 931

\_\_\_\_\_

587 215

\_\_\_\_\_

574 263

\_\_\_\_\_

592 156

\_\_\_\_\_

2. Starting with the smallest

786 549

\_\_\_\_\_

786 214

\_\_\_\_\_

782 496

\_\_\_\_\_

785 426

\_\_\_\_\_

3. Starting with the largest

101 345

\_\_\_\_\_

101 453

\_\_\_\_\_

101 354

\_\_\_\_\_

101 543

\_\_\_\_\_

4. Starting with the largest

841 254

\_\_\_\_\_

840 548

\_\_\_\_\_

843 756

\_\_\_\_\_

842 248

\_\_\_\_\_

Place a number in each space so that each sequence stays in ascending order.

1. 458 628                      \_\_\_\_\_                      460 354                      468 064

2. \_\_\_\_\_                      783 612                      862 135                      \_\_\_\_\_

Place a number in each space so that each sequence stays in descending order.

1. 765 843                      \_\_\_\_\_                      745 254                      \_\_\_\_\_

2. \_\_\_\_\_                      209 456                      \_\_\_\_\_                      209 312
