

Year —Revision 12—Calculation #6 multiplying by a two-digit number

Complete the calculations.

$8463 \times 68 =$

$7315 \times 26 =$

$4082 \times 42 =$

$3457 \times 85 =$

Use each of the digit cards only once to create a four digit x two digit calculation.
What's the highest answer you can make.

Tweet your answers to the year 6 twitter page or email them to Miss Whitehouse to see who found the highest.
