Dear Parents/Carers,

The Birmingham SEND Local Offer Website is now live and packed with SEND help and support. Check out Birmingham's refreshed SEND Local Offer website. It is the place to go to find information, support and services for children and young people with additional needs aged 0 - 25 years.

The Birmingham SEND Partnership has worked with parents, carers, children, young people and professionals to make this site as useful and user friendly as possible.

The new site includes:

Clear accessible SEND information, advice and support

Specialist support services for children and young people with additional needs

Information on leisure and things to do

Advice on education, health, wellness and finance

SEND Travel and Transport information and how to apply

Information on childcare and Early Years education

Information on Post 16 options and Preparation for Adulthood

You can watch the video via the home page below to find out more about Birmingham's SEND Local Offer, give them your feedback or tell them what you want to see there. Just follow the link –
