Weekly Newsletter - 7th Feb 2020

The support that we offer to our children is fundamental to ensuring that we are meeting their emotional and well being needs. Featherstone Primary have now been working in partnership with Place2Be for over two years and this week is Mental Health Week, which was set up by Place2Be. The week shines a spotlight on the importance of children and young people's mental health and year's theme is **'Find your Brave.'**

In school, teachers, staff and Place2Be have worked together to further children's understanding of emotional well being and mental health. Ciaran, our school based manager, has visited each class to raise children's awareness and has delivered a range of awareness lessons (see photos below). In addition to this, class teachers have also looked at a range of topics which include bullying, online safety and also speaking to people about worries.

In addition to this, we also have Miss. Heer, who teaches small groups of pupils on Mindfulness and relaxing skills. This is working well and the children and staff are loving this.

Finally, parents: if you have not yet signed up our twitter page please do to see the great learning that is taking place; for example, the model making in EYFS, music lessons across school and also the weekly trips that each year group goes out to as part of their curriculum.

Have an fantastic weekend!
