Weekly School Newsletter

18th February 2022

Dear Parents and Carers,

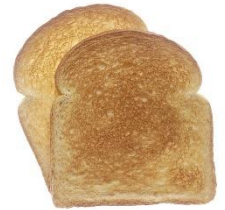

This week, you have had the opportunity to speak to your child's class teacher regarding their learning in class. Hopefully, in the summer term, for parents' evening, we will be in a better position for parents to come into school.

Welcome to new parent governor!

We would like to thank Clara Harris for her support whilst on the Governing Board. Applications were asked for from parents and I am pleased to inform you that Kiersty Sinclair-Davies has been appointed to the Governing Board.

School Toast

To ensure that children have a balanced diet in the morning, and to also be in-line with the most recent NHS data, showing high levels of obesity levels rising in England, we have reviewed our offer on the free toast in the morning. Toast for children will now be 3 days per week (Monday, Tuesday and Wednesday). Children may bring a healthy snack from home on Thursday and Friday which may include fruit, yogurt, cereal bar (no to crisps or chocolate bars).

Children in the infants already get the offer of free fruit, but if you wish, you can send in your own fruit.

School Fund – Parent Donations

We only ask for a small contribution from all our parents which is £1 per child. This will be for each term. If you have not yet done so, would we appreciate your contribution. [DONATE](#)

Total so far: £157.00

[TARGET FOR THIS TERM: £250](#)

School Dinners

The dinner money amount for next half term is:
£71.05 for meals every day.
£14.70 for meals on a Thursday (pizza).

We love Enrichment!

After the half term holiday, children will be starting their new Enrichment groups. We love Enrichment in school because it is a great way for children to try something new, learn different skills, unwind and spend time with their friends. After half term, some of the new groups include: Fitness Boot Camp, Lego, Featherstone's Got Talent, Science Club, Glowstick Clubbercise, Sports, Football Refereeing and Coaching, Arts, Photography and much, much more! Take a look at these photos from the final Enrichment of the half term!

House Points

Congratulations to **Griffin**, who have won this half term's house points! You have worked hard and showed lots of Values to get the most house points out of the four houses. Well done! A small treat was given out!
