Weekly School Newsletter

11th February 2022

Dear Parents and Carers,

We hope you enjoy this week's newsletter.

Children's Mental Health Week

This week it has been Children's Mental Health Week. The theme of the week is "Growing Together." Class teachers and Miss. Lake have been raising awareness regarding what is Mental Health in young people and also how to ask for help if they have worries around friendship issues, exam stress and also their missed education through the pandemic.

We have sent several tweets about the lessons have been delivered in school to parents who have signed up the @FeatherstoneSch Twitter!

Parents, if you have not yet done so, please can you complete the permission form so that your child can speak to Miss. Lake from [Place2talk](#) about any school worries or friendship difficulties. [Click](#) This service is very popular with the children as part of supporting their mental health at school.

School Fund

It has been some time now since we have asked for a school fund contribution from parents. The money contributed from parents goes towards a number of items, which is all for the children. We will spend the money on things like house awards, special occasions and toys; things we wouldn't normally be able to buy from the official school monies. Since last week, parental contribution has been £37.00.

This term, we are asking for a school fund contribution of £1.00 per child. We have thought to keep it simple and fair for all of our families; however, if you wish to contribute more than we welcome this.

Parents please make your contribution via ParentPay -

Parents' Evening

Just a reminder that parents' evenings next week will be through phone calls. Class teachers will call you. If they are running late, you will still receive the call.

Learning in school this week

Date: Thursday 10 th February 2022	Group: Green and Yellow	Lesson: English
What are you learning to do?	Today I am learning to write in the style of a letter	
How am I going to do this?	I am going to do this by: <ul style="list-style-type: none"> • Using my existing knowledge of ocean wildlife. • Understanding the features of a letter. • Explaining how we feel about the oceans being destroyed. • Suggesting a solution. 	
Assessment:	Self	Peer
CT	Independent	Group work
		Teacher/ TA
		TA

I feel upset that our oceans are being destroyed by humans. How do you feel about it?
Do you have any ideas about how we could help?

Alex from Year 1 – Well done!
A letter explaining how he feels about the ocean being destroyed.

To David Attenborough
I am heart broken and devastated because our oceans have been destroyed. They are covered in rubbish and our animals are crying! They are tangled up in trash! We must recycle and put rubbish away off the beach.

FROM ALEXANDER
