On Wednesday 6<sup>th</sup> July, we will be welcoming our new Reception children in for a stay and play session and all our current pupils will be going to spend the morning with their new Teachers and Teaching Assistants in their new classroom to take part in some 'getting to know you' activities.

### Year 5 Geography Field Trip

On Thursday afternoon, Year 5 investigated answers to 'Why the population of Erdington has drastically increased over the last 150 years'. Year 5, prior to this day, planned a question to help understand the residence of Erdington's reasons for living in the local area. The children walked down Marsh Lane respectfully asking members of the public and recording this information. Their aim is to evaluate the results gathered to reflect on our question next week.

### Year 1's Trip to Tamworth Castle

Year 1 had a great time at Tamworth Castle! We learnt all about the armour a knight would have worn and even got to try some of it on! We helped the Lady of the castle set the table for her banquet. We climbed to the very top of the tower and explored the rest of the castle!

## Year 2 Enjoy a special visitor

Nurse Joe came in to enhance the children's knowledge of our topic "The NHS has done an incredible job...So What?" Nurse Joe spoke to the children about his role as a theatre nurse and how much the NHS has changed. He discussed and the children shared all their knowledge of Mary Seacole and Florence Nightingale. He brought in some equipment for the children to explore, for example, a blood pressure reader, ECG monitor and a temperature probe.
