

Featherstone Primary School

Parent Conduct Policy

Aspire, Believe, Succeed

Agreed by Governors: Full Governing Board

Approval date: 15.01.26

Review: Every 4 years

At Featherstone Primary School our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about the expected conduct. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding.

We expect parents, carers and visitors to:

- Respect the caring ethos of our school
- Understand that both teachers and parents need to work together for the benefit of their children.
- Demonstrate that **all** members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour.
- Approach the school to help resolve any issues of concern.

School cannot tolerate parents, carers and visitors exhibiting the following:

- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, an employee's office, office area or any other area of the school grounds.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper.
- Threatening to do actual bodily harm to a member of school staff, Governor, visitor, fellow parent/carer or pupil regardless of whether or not the behaviour constitutes a criminal offence.
- Damaging or destroying school property.
- Abusive or threatening by e-mails or text/voicemail/phone messages or other written communication.
- Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Smoking and consumption of alcohol or other drugs whilst on school property.

Social Media Sites

- The use of social media websites being used in this way as unacceptable and not in the best interests of the children or the whole school community.
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff, at the school on Facebook or other social sites. Any concerns you may have about the school must be made through the appropriate channels so they can be dealt with fairly, appropriately and effectively for all concerned.
- In the event that any pupil or parent/carer of a child/ren being educated in this school is found to be posting offensive or defamatory comments on Facebook or other social network sites, they will be reported to the appropriate 'report abuse' section of the network site and also to the Local Authority.
- In serious cases the school will also consider its legal options to deal with any such misuse of social networking and other sites.

Should **any** of the above behaviour occur the school may feel it is necessary to contact the Birmingham Local Authority and if necessary the police. This could lead to the offending adult from entering the school grounds.

We trust that parents and carers will assist our school with the implementation of this policy and we thank you for your continuing support of the school.
