## PE - Miss Hughes

There has been lots going on in PE this term!!

### ATHLETICS SUCCESS!!

We have been very successful in our athletics competitions this term. Year 3 & 4 competed in the KSSP Sportshall athletics competition and finished first. They went onto the finals and became KSSP YEAR 3 AND 4 ATHLETICS CHAMPIONS!

Year 1 & 2 also competed in the KSSP Sportshall athletics completion, finishing first as well! They went onto the finals and also became KSSP YEAR 1 AND 2 ATHLETICS CHAMPIONS!!

One thing we are good at in our school, is running fast! Both events highlighted our lightening speed, enabling us to win the majority of our track events!

The afterschool clubs that have ran this term:

- Yr 5 & 6 Hockey
- Dance
- Yr 1 & 2 Multi Skills
- Yr 3 & 4 Fencing

We have been looking at a variety of sports across the school this term. KS1 have been learning to dance, Year 1 have been practicing a 'Clown Dance' and Year 2 developing an 'African Dance'. KS2 have been creating routines in gymnastics and developing skills in badminton. The children are very eager to learn and all have lots of fun!!

Year 1 practicing walking on a 'tightrope' in their circus dance

Year 4's introduction to badminton, throwing and catching over the net

Year 2's starting position in their African Dance

Year 6 practicing their group balances

Miss Hughes has started up a Change4Life club where children have been chosen to take part. The children meet once a week and learn more about healthy lifestyles. So far they have learnt about diet and how to exercise. There will be lots more to come in the summer term!
